With all the Commissioners present, the hearing on Kerr-McGee's application for the establishing of allowables, Cause No. 3-C was heard. Report of said hearing forthcoming from Mr. Powers of Ryan, Powers and Ryan, Court Reporters.

Because of the crowded conditions of this meeting, Mr. Jerome was directed by Mr. Walden to find a suitable meeting place for the regular monthly meetings and for hearings with ample seating capacity and good parking facilities.

Before a vote was taken, Mr. Lewis mentioned there were sections that might require change; namely, 107, 109, 120, 602 and 701 and that Mr. Jerome make an analysis of these sections for review at an early meeting so that the Commissioners would have the pertinent facts at their disposal when these sections had to be amended.
