Mr. William E. Allen, Director
Enforcement Section

Meeting was called to order by Chairman Ralph Bilby at 10:45 a.m., immediately following Hearing, Case No. 43.

Chairman Bilby introduced Dr. J. J. Wright of the College of Mines, University of Arizona. Dr. Wright will serve as official representative of the University.

Executive Secretary advised that Mr. William E. Allen, Director of Enforcement Section, was absent as his wife was undergoing surgery. Commission expressed best wishes to Mrs. Allen for a speedy recovery.

Chairman Bilby requested that the record show this to be the first meeting of the Commission in its new location. Chairman Bilby extended the compliments of the Commission to the staff on the finished building.

Minutes of meeting of August 19, 1970 were approved as written.

Reports of Executive Secretary and Geologist were accepted.

Executive Secretary reported that the two geologists to round out the office staff are expected to report for work in November. Mr. Edward Koester will work with Mr. Scurlock in getting information ready to publish and making new studies to try to encourage industry by supplying new and helpful information. Mr. Jack Conley will work primarily with the samples and on such projects as the construction of cross sections, etc.

Dr. Wright outlined plans for a short course in petroleum geology and production to be presented by the Bureau of Mines to the Commission and guests on Thursday, November 19, prior to the regular Commission meeting on November 20, 1970, to be held at the University of Arizona.

General discussion was held on the Indian lease sale held October 14, 1970 at Window Rock, Arizona.

Meeting adjourned at 11:20 a.m.

APPROVED
