Mr. W. Roger Hafford, Member

The regular Commission meeting for the month of November, 1970 was called to order at 2:30 p.m. in Tucson, Arizona by Chairman Ralph Bilby, following hearings on Case No. 44 and Case No. 45.

Minutes of meeting of October 16, 1970 were approved as written.

Reports of Executive Secretary, Enforcement Section and Geology Section were accepted.

The Commission expressed appreciation to the Department of Geology of the School of Earth Sciences for the cooperation and hospitality extended during the meeting. Executive Secretary was instructed to convey written appreciation to all appropriate parties.

Meeting adjourned at 3:15 p.m.

APPROVED
