The regular Commission meeting for the month of September, 1973 was called to order by Chairman Ralph Bilby at 10:00 a.m.

Minutes of meeting of August 17, 1973 were approved as written.

Reports of Executive Secretary, Enforcement Section and Geology Section were accepted.

Due to a conflict of schedules, it was agreed to change the date of the next regular meeting from Friday, October 19, to Wednesday, October 17, 1973.

Executive Secretary was instructed to consult with Dr. Edgar McCullough, Head of the Department of Geosciences at the University of Arizona, as to the most convenient time and place for a program to be presented to the Commission and staff. This could be in conjunction with a regular Commission meeting, possibly in November.
